Please use an email you check frequently to ensure that you receive all of this important information.

If you have questions or need assistance with registration, please direct all inquiries to cmefdepartment@childrens.harvard.edu.

Accreditation

In support of improving patient care, Boston Children's Hospital is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician

Boston Children's Hospital designates this live activity for a maximum of 17.75 AMA PRA Category 1 Credit™. Physicians should claim only credit commensurate with the extent of their participation in this activity.

AAPA accepts AMA category 1 credit for the PRA from organizations accredited by ACCME.

Nurse

Boston Children's Hospital designates this activity for 17.75 contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Psychology

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

This course has been approved for 17.75 continuing education credits.

Pediatric Pain Management State of the Art and Science 2022

Virtual Event | Friday, January 21–Saturday, January 22, 2022
bostonchildrens.cloud-cme.com/PediatricPainManagement2022

Overview

The **Pediatric Pain Medicine: State of the Art and Science** Conference is designed for physicians, nurses, psychologists, physical therapists and other clinical staff who care for children with pain conditions.

The conference will be focused on the delivery of up to date pain management for children. The aim will be to integrate basic, translational and clinical science with clinical practice updates. Conference sessions will include a combination of lectures, discussions, poster sessions, and more.

Target Audience

Our target audience for the conference is:

- » MD clinicians—Pain Management, Pediatrics, Regional Anesthesia, Primary Care
- » Psychologists
- » Physician Assistants
- » Nursing
- » Allied Health Professionals
