Our Nassau staff will receive your shipments sent by Laser in Miami, clear Bahamas Customs, and will deliver to the appropriate boardroom per the instructions of your resort conference service manager or your company rep.

After the event is over, the same staff will be picking up your return shipment. Please make sure all your boxes are labeled with the address they are returning to. If you have prepaid UPS or fedex labels you can put them on the boxes. This will expedite the returning process once your boxes get to Miami.

FEDEX or UPS labels must be domestic.

Consigned: To your ultimate consignee in USA.

Once our staff picks up your returning boxes, we will ship them back in our cargo planes or containers back to Laser in Miami, where we will need to present an entry to US Customs to clear the cargo back into the United States.

Please note: We can only bring back the leftover cargo that Laser brought into Nassau. Returns will be charged @ \$ 3.00 per lb. (volume weight) Minimum \$250.00 plus \$ 185.00 for US Custom clearance. Returning cargo not on the original custom form or invoice can incur fines.

Once the returns are cleared thru US Customs, the goods are brought to Laser in Miami. If they have UPS or fedex labels already, we will give them to the appropriate carrier.

If they don't have labels, we will need to notify you so you can send your preprinted UPS or fedex labels to Ibis@Laserfreight.com

If you are returning cargo on pallets, you can also schedule a pickup from Laser in Miami with your favorite carrier once we notify you that the freight has cleared and is back to Laser and ready for pickup.

This whole returning process takes about 12 to 15 working days, depending on how fast Bahamas & U.S. Customs clear the shipment.

Please keep in mind that Bahamas Customs will be inspecting and releasing your cargo before it can be shipped back to Miami; and US Customs has the right to hold it again for inspection once it arrives if necessary, delaying the 12-to-15-day margin by a few more days if necessary.

Please note: Laser can only return items brought in thru Laser. USA Customs is very strict and items can get confiscated or you can get fined up to \$ 5000 or more depending on item found.
